Local Firm Celebrates 25th Year

Mr. Joseph Lindner, owner of the Arlington Heights Roller Mills is celebrating the twenty-fifth anniversary of the establishment of his business in Arlington Heights this week. On March 12, twenty-five years ago, Mr. Lindner took possession of the property which is now the Arlington Heights Roller Mills.

Mr. Lindner had learned his trade in Austria-Hungary, where he went to work for his uncle at the age of 12. The milling business which Mr. Lindner took over when he came to Arlington Heights, was more of a grist mill than a flour mill at that time and the years passed, modern machinery installed all kinds of modern milling machinery until he had developed his business to the point where he has one of the most up to date flour and feed mills in northern Illinois.

Mr. Lindner learned the milling business while working for his uncle and he not only learned the milling end of the business, but also the millwright end so that he has been able to make his own repairs and installations. He learned the complete trade by working his way through small and large mills so that when the time came that he branched out into business for himself, he had a complete knowledge of all kinds of milling operations.

Mr. Lindner learned early in his career that the small business man must run his business in his own way and that he cannot beat the big fellow at his own game. Therefore Mr. Lindner has always conducted a strict retail business. He knows by selling his own product direct to the consumer, he could beat the jobbers price to the consumer. His success lies in following out this line of direct selling to the consumer.

Mr. Lindner operates a genuine community mill giving service to his farmer friends for miles around in the grinding of their flour and feed. He also operates considerable of a feed manufacturing plant, making dairy feed and poultry feed. He keeps a fine supply of feed of all kinds, shell corn, cracked corn, feed wheat, mashes and dairy feeds. He has an elevator near the railroad tracks where carloads of bulk grain are unloaded and stored.

A call at his mill will reveal farmers from miles around who have come for grinding, to buy feed or for some one of the services furnished at the mill.

The advent of the subdivisions in the Chicago territory drove many, but Mr. Lindner in his quiet way held to his ideal of a definite service to his patrons and despite subdivision booms, depressions and everything else, his business prospered.

Mr. Lindner is a conservative business man, he was not stampeded by any rash boom time schemes for expansion, he went quietly about perfecting the equipment of his mill, his products and his service to his customers until today, twenty-five years after the establishment of his business in Arlington Heights he is celebrating the anniversary of twenty-five years of successful business, after most of the mills of this kind have fallen by the wayside.

Mr. Lindner is offering his host of customers an opportunity to celebrate with him this week-end by putting on an anniversary sale at which all products will be sold at absolute cost for two days.

Thus is this successful conservative business man sharing his success with his customers and his friends to whom he has rendered 25 years of conscientious service.

The special announcement of the anniversary sale prices will be found on page 7 of this issue.

Confirmation Merchandise At Local Stores

Confirmation time is near and the following Arlington Heights stores are making attractive offerings in confirmation gifts, wearing apparel, etc. Wilke Jewelry Store, Hartmann's Shoe Store, Emerald Shop, Gieske's Store and the Arlington Bootery.

Many and attractive are the offerings at these stores and anyone wanting to purchase gifts for any of the confirmands or wearing apparel for that occasion, will do well to see the displays of these home town merchants. A full list of confirmands will be published next week.

Supervisor Grandt Suffers Relapse

Supervisor Charles Grandt of Wheeling suffered a relapse this week and is back in bed again for another battle with the flu.

Charlie wouldn't stay down the first time he was ill as he felt that he must be at relief headquarters to take care of the needy of the township just as soon as possible.

Charlie got back on the job all right, but he got there before he was well enough and now he has to fight his battle all over again. His host of friends wish him a very speedy recovery.

Legion Offers Medals To Youths In Contest

Merle Guild Post of the American Legion is announcing a contest for eighth grade pupils in all Arlington Heights public and parochial schools.

The purpose of the contest is to encourage the building up of those qualities of youth which make for better citizenship.

Solid bronze medals will be awarded by the American Legion to the boy in each class who, in the estimation of his teacher or school superintendent, stands the highest on the basis of 20 points each on the following qualities:

Honor—Strength and stability of character; high standards of conduct; keen sense of what is right; adherence to truth and conscience and devotion to duty and practice of clean speech.

Courage—Bravery in the face of opposition and danger, and grit to stand up for the right and do one's duty.

Scholarship—Scholastic attainment; evidence of industry and application in studies.

Leadership—Ability to lead and to accomplish through group action.

Service—Kindness, unselfishness, fellowship, protection of the weak and promotion of the interests and welfare of associates without hope of personal award.

A similar medal will be awarded to a girl in each eighth grade graduating class on the basis of twenty (20) per cent for each of the following qualities:

Character; courage; scholarship; companionship and service.

Victor A. Pecchia is medal award chairman. It is believed that this contest will stimulate the youngsters to bring out the desired qualities of citizenship and the cooperation of all 8th grade teachers and school superintendents is asked to make this contest a success.

Telephone Employees Get Pay Increase

In talking with Manager A. R. Andrews, Tuesday, March 4, 1937, a representative of this paper was advised that increases in pay for the working forces of the Illinois Bell Telephone Company, which will amount to more than \$2,000,000 a year, are being put in effect.

When the adjustments contemplated in the plan have been completed, the majority of employees in the State of Illinois and the counties in northwestern Indiana, where the Illinois Bell Telephone company operates, will have received increases in addition to increases which otherwise would be made in the normal course of wage progression.

Mr. A. R. Andrews stated that about 20,000 employees will benefit. Forty hours was established by the Illinois Bell Company as the basic working week in August, 1936. With the adjustment in pay made at that time and the increases now in progress, practically all employees will receive as much or more in the pay envelope for a forty-hour week as they received for the longer week at the peak of business prior to the depression.

Hartmann's Juvenile Shoe Department Adds 500 Pairs of Footwear

Hartmann's shoe store, Arlington Heights, this week announces the addition of a new Children's shoe department. The new shelves and display arrangements will enable the store to carry 500 additional pairs of footwear for children.

"This addition," says Wilbur Hartmann, store manager, "means that we are now stocking a larger variety of children's shoes and are carrying a wider range of sizes and thus we can now better fit growing feet."

Emerald Shop Open Wednesday Evenings

Miss Emma Wilke, proprietor of the Emerald Shop announces that her store will be open on Wednesday evening until further notice.

Many people who do not have the opportunity of doing their shopping during the day and particularly persons from the farming districts, will find this new arrangement of hours very desirable and will appreciate this extra opportunity evening thru-out the year.

Luth. Layman League Officers Installed

Last Friday evening the newly elected officers of the Lutheran Layman's League were installed into office. After the installation the new president, Frank Colba made a few remarks on a new program which he and the board were working on and asked all the new officers and members for their cooperation to make it a bigger and better Lutheran Layman League. A short business meeting was held after which Mr. T. Wilson of our high school gave a lecture and showed slides on the plant life of the Sand Dunes of Indiana, which was very interesting to all the members.

Next meeting, March 19.

VOTE SATURDAY

Arlington Heights has a new village hall, new apartments, many new homes, a new water system, new subdivisions and new people are constantly coming to our town to live. We have modern churches, a beautiful high school and more than 5,000 aggressive people.

The need of a new school building is a common knowledge to our people. The minimum cost of a building is approximately \$122,000.00. It is possible to get an outright donation from the government in the amount of 45%, or about \$54,000. The people can get a new building at a cost to School District No. 25 of about \$68,000.

This is possibly the last opportunity we will have to get a donation of almost 50% of the cost of a new school building. If we do not accept the proposition and build a new school building, we shall no doubt find our old building condemned within the next five years and be forced to erect a new school building and stand the total cost thereof. If we accept the grant or donation from the government, it will be necessary for our Board of Education to furnish a part of the funds and an election will be held at the Village Hall in Arlington Heights on Saturday, March 13th, 1937, from 12 o'clock noon to 7:00 p. m., for the purpose of approving a bond issue in the amount of \$68,000. The people of our Village should realize the importance of this election and come to the Village Hall and bring their friends and vote for approval of these bonds.

When the bonds are approved, our Board of Education will let a contract for a new building to be erected under the supervision of the government and the contractor will be covered with a bond to insure the completion of a modern school building.

Everyone in this school district who is interested in schools and has the future welfare of the children of Arlington Heights at heart should make it a point to go to that election and to see to it that all of his friends who are interested in good schools also goes and cast their votes in favor of the new school.

The election will be held at the Village Hall from 12 o'clock noon to 7 p. m. on Saturday, March 13th, and the result of that election is of vital importance to the future of Arlington Heights.

Examination Service At St. Peter's Luth. Church

A group of twenty-four pupils of St. Peter's Lutheran school will appear in the church services Sunday at 11 a. m., to reveal their knowledge of Christian doctrine. Pastor Fricke will question them on the fundamental of faith. This examination represents the close of a systematic course of religious instruction in the school and confirmation class. The catechism will take the place of the usual sermon.

Following are the members of the confirmation class: Lorraine Garlich, Lois Bokelmann, Ruth Held, Marguerite Weide, Betty Colba, Lorna Pfingsten, Meta Schloemann, Gertrude Homeier, Marie Heidemann, Francis Brockmann, Lorraine Hildebrandt, Orland Brockmann, Clarence Schwake, Henry Dorband, Donald Lussmann, Wm. Meyer, Billy Webber, Wilbert Schwake, Earl Schwake, Harvey Thompson, Robert Schwolow, Walter Kehe, Hans Rupp, Herbert Weide.

Grateful For Toys and Games

The toys, games, etc., that were given by Arlington Heights school children to the children of the flood zone were very gratefully received according to an acknowledgment which Mrs. Rex Volz has received from the St. Louis distribution headquarters. The toys, games, etc., were turned over to Mrs. Volz and were forwarded by her to the rescue headquarters.

Another donation to the Arlington Heights Red Cross flood relief fund was received this week when the Arlington Heights Benefit club turned over \$70.46 to the fund. This brings the Arlington Heights total up to \$1,372.17, a very creditable showing for "The City of Good Neighbors."

Truck Breaks Down, Burns

Walter Fiene of Arlington Heights had the misfortune to have his truck burned up last week following an accident.

While hauling crushed stone for Wheeling township the axle of Fiene's truck broke, both wheels came off and the truck caught fire. No one was injured in the peculiar accident.

Local Chapters P. E. O. Elect New Officers

Arlington Heights Chapter The Arlington Heights chapter of the P. E. O. elected the following officers for the ensuing year at a recent meeting: Mrs. O. G. Barrett, president; Mrs. Tom Wilson, vice president; Mrs. Mills, Rec. Sec.; Miss Edith Lindsey, Corr. Sec.; Mrs. J. Monroe, Treas.; Mrs. H. J. Byrd, Chaplain; Miss Dona Marie Volz, Guard.

Palatine Chapter The Palatine chapter of the P. E. O. elected the following officers at its meeting Monday evening: Mrs. D. R. Langhorn, Pres.; Mrs. S. R. Paddock, Vice Pres.; Mrs. John L. Reusser, Rec. Sec.; Mrs. G. E. Anderson, Corr. Sec.; Mrs. Geo. Herrmann, Treas.; Mrs. E. D. Orth, Guard.

Salvage Project By Luth. Laymen League

The Lutheran Laymen League in a meeting of last Friday resolved to aid the church in an unusual way. Realizing the money value of waste product such as old newspapers and magazines, the league has undertaken to gather such material in a house to house collection. With the present high price of old paper it is believed that a neat profit will be realized from its sale in lot lots to wholesale dealers. The league is confident that the membership of the church will prefer to turn over their accumulated papers in the interest of the local church, rather than give it to out-of-town people. Mr. Wm. Keiser has initiated the project and has charge of the collection. If you have old papers and magazines notify him and he will be glad to call for them.

Paul Hildebrandt Passes Away

Paul Hildebrandt, well known farmer of Palatine township, passed away at his home east of Palatine on Tuesday. Mr. Hildebrandt had a wide acquaintance throughout this section of the county as he had spent most of his lifetime in his home community.

The funeral will be held on Friday at 2 p. m., at the Danielsen Funeral home in Palatine. Interment will be in Rand Hill cemetery.

PUBLIC AUCTION

On account of death, I will sell at public auction on Saturday, March 13, 1937, 1:30 p. m. at my former home, 629 North Chestnut St., Arlington Heights, Ill., the following:

To Improve South End of Routes 53; 54

Cook County autoists of this section will be interested in learning that DuPage county expects to push the improvement of routes 53 and 54, two north and south arterial highways that are used a great deal. The improvement of route 54 from North avenue to the north county line, will probably solve the "black sea" problem, north of Bensenville, where considerable money has been wasted in the past by other than permanent construction.

Route 53 is gaining in importance to men employed in the factories of this community who may be liable for the payment of income taxes. There are many complicated forms to be filled out and questions to be answered in making a proper income tax return; any one needing any help in the proper making out of these papers will do well to avail themselves of the experience of the Krause & Kehe organization. The final date for filing the returns is March 15.

Krause and Kehe are offering a special service in assisting persons to fill out their income tax papers. Their service is of special importance to men employed in the factories of this community who may be liable for the payment of income taxes. There are many complicated forms to be filled out and questions to be answered in making a proper income tax return; any one needing any help in the proper making out of these papers will do well to avail themselves of the experience of the Krause & Kehe organization. The final date for filing the returns is March 15.

Road building activities, including work on the two north and south highways 53 and 54, the construction of an underpass at the Illinois Central-Main street crossing north of Glen Ellyn, and the completion of several jobs on county roads, will be in full blast as soon as the weather permits. E. L. Gates, county superintendent of highways says that not only will construction work be pushed, but that rights-of-way will be obtained for super highway 54 north of North avenue to the DuPage county line.

Construction of underpasses on route 53 on underpasses where it crosses the North Western and third rail lines between Lombard and Glen Ellyn is under way. In addition to this work, there will be a grade separation where the state highway crosses Crescent boulevard, the main artery between Lombard and Glen Ellyn which parallels the North Western. This grade separation calls for a viaduct over 53, this structure crossing not only 53, but the east branch of the DuPage at an elevation.

Route 54, when completed will be an arterial highway, its right-of-way being 200 feet wide, with a 40-foot concrete ribbon. Should traffic warrant, the width of the pavement will be increased from time to time. Four subways under the tracks of as many roads are to be constructed this year. Within a short distance, the highway crosses the Illinois Central, the North Western, the Great Western and the third rail line.

Air Guns Banned Because of the damage being caused by air guns in the hands of Arlington Heights boys the local police have been forced to put a ban on air guns and the police department has received orders to confiscate any air guns they may find in the possession of Arlington Heights youngsters.

So if the boys want to keep those air guns, they had better not be popping them around town or the police will take possession of them.

"Observer" Ill; No Notes This Week

"Observers Notes" are missing from this week's issue because the Editor of the department, Elinore Crisler Haynes, for over half a century, an able newspaper correspondent, is ill in bed following a very painful accident. Mrs. Haynes had the misfortune to be badly burned by the contents of an overturned coffee pot and has been in bed for several days.

We know that her department will be missed by her host of readers and we hope with them for her speedy recovery and that she will soon be able to again resume the editing of her department which has been a feature of this paper for a quarter of a century.

Arlington P. T. A. Meets March 16th

The Parent-Teacher association will meet at the South School Tuesday evening, March 16, at 8 o'clock. There will be music followed by election of officers. Miss Wilda Martin will talk on "Radio in the School." Mr. J. Kay White, Prin. of Pershing school, Berwyn, will tell about "Motion Pictures for Youth." Refreshments will be served. Everyone is invited to attend these meetings.

New Styles at Arlington Bootery

The Arlington Bootery is making some fine offerings in shoes this week and anyone in the market for anything in that line would do well to look at the attractive stock on display at this store.

In speaking of the styles for the coming season, Mr. Ewert said, "Gabardine leads in favorite materials. Some styles are all-over Gabardine—others are combined with Patent, Calfskin or Suede. All-over Kidskin, Calfskin, Patent and Suede are also used a good deal."

Bank Depositors Have Meeting

A successful meeting of depositors of the former State Bank of Palatine, was held Tuesday evening at the Village hall.

The depositors committee will try to work out some plan with the stockholders committee that will be of mutual benefit to everyone interested in the former State Bank.

Such cooperation between depositors and stockholders of other closed state banks has worked out to the benefit of everyone concerned and the Palatine committee hope that they may be able to work out some plan which will be helpful to the local depositors and stock holders.

4H Club Rally At Palatine

O. G. Barrett, Cook County Farm Adviser, has invited everyone who is interested in 4-H club work to join in the big get-together of club members and their friends at the Palatine township high school on Saturday night, Mr. Barrett says:

"We wish to call to your attention the 4-H club rally at the Palatine township high school Saturday night, March 13, 1937, at 8:00 p. m. This is a get-together of all the 4-H club members, prospective 4-H club members, their friends, their parents, and anyone else interested in 4-H club work. Everybody is welcome. There will be a program prepared by the various clubs now organized in the northern part of Cook county. Mr. Mummert, District 4-H club adviser, from the University, will be there to describe the work for 1937. Also, Mr. Glover, your county Club leader, will discuss the program for Cook county."

"A good time is planned. Don't miss it."

Sermonette

"Blessed are they that have not seen, and yet have believed"—John xx:29. Do not, for the sake of all you hold sacred, allow the existence of intellectual difficulties to interfere with the program of your practical religious life. Many men think that, unless all their intellectual problems are settled, it is impossible to live a truly religious life. A more mistaken notion never entered a man's head. If you are a thinking man you will always have difficulties; new ones are apt to come forward even more rapidly than old ones are settled. Be not too greatly disturbed. If you are not a Christian, do not put off becoming one until they disappear. Such a time will never come. Go forward in Christian work and service. Let the difficulties be settled as your faith grows stronger and your Christian character becomes more firmly established. Everybody is welcome to attend our worship services.

CHRISTIAN SCIENCE CHURCHES

"Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 7.
The Golden Text was, "Ye are my witnesses, saith the Lord, and my servant whom I have chosen" (Isaiah 43:10).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thus saith the Lord, the Holy One of Israel, and his Maker, Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created man upon it: I, even my hands, have stretched out the heavens, and all their host have I commanded. I have raised him up in righteousness, and I will direct all his ways" (Isaiah 45:11-13 to 14).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Man made in His likeness, possesses and reflects God's dominion over all the earth. Man and woman are co-existent and eternal with God forever, reflect in glorified quality, the infinite Father-Mother God" (p. 516).

The Reading Room is located in the church building and is open to the public every Wednesday afternoon from 2 to 4 p. m.
The public is cordially invited to attend our church services and use our reading room.

Mrs. Thurber Recalls Old School Days

Village Trustee George Klehm isn't the only old time citizen of Arlington Heights, who can remember the school days in that old school house that the voters hope to replace with a new one at Saturday's election.
Mrs. Stella Thurber of 506 W. Campbell street, 81 years old, was another pupil of that old school.
Mrs. Thurber, nee Whiting, was born in a log cabin in Elk Grove, and her first school experience was gained in that township. Mrs. Thurber came to Arlington Heights in 1877 and attended the old public school. There were no grades in those days; the youngsters just went to school and learned all that the teachers were able to teach them and quit when they felt they had had enough.
Mrs. Thurber recalls other old names known to Arlington Heights many years ago. Among the children of that day with which she attended school, were the Allisons, Higgins, Newballs and others.

McElhose In Charge At Relief Office

Arthur L. McElhose, Arlington Heights Village clerk, is in charge of the Wheeling township relief office during the illness of Supervisor Charles Grandt. Mr. McElhose has been working in the relief office since Gilbert Klehm has been busy with some landscape engineering. Business at the relief office seems to be just as rushing as ever, as employment has not opened up enough to take any great number of people off of the relief rolls.

ANNUAL TOWN MEETING AND ELECTION

Notice is hereby given to the legal voters and electors of the Town of Wheeling in the County of Cook and State of Illinois that the annual town meeting and election of officers of said town will take place Tuesday, the Sixth day of April, A. D. 1937, being the first Tuesday in said month.

The election will begin at the hour of 6 a. m. and close at 5 p. m. in the places designated as follows:
Precinct One, Village Hall, Wheeling, Ill.
Precinct Two, Arlington Chevrolet Co., Arlington Heights, Ill.
Precinct Three, Roehrer Motor Sales, 302 North Evergreen Ave., Arlington Heights, Ill.
Precinct Four, Village Hall, Arlington Heights, Ill.
Precinct Five, Homeyer Green house, Elmhurst Road, Mount Prospect, Ill.
Precinct Six, Gaare's Motor Sales, 115 Davis St., Arlington Heights.

The officers to be elected are:
One Supervisor.
One Town Clerk.
One Assessor.
One Collector.
One Highway Commissioner.
Five Justices of the Peace.
Five Constables.
One School Trustee.

The Town Meeting will be held in Village Hall Precinct No. 4, at the hour of 2 o'clock to hear and consider reports of officers to appropriate money to defray the necessary expenses of the township and to deliberate and decide on such measures as may in pursuance of the law, come before the meeting.

Given under my hand this 6th day of March, A. D. 1937.
HOWARD A. HELM,
Town Clerk.

Bowling Notes

By HERB HAMMERL

Well the going was pretty tough for Rox Boite Monday night. Rox was under pressure and came thru with 458. Better luck next week, Rox. Vail Tavern also had trouble, losing two games to Union Tavern on 1 and 2. Vail shot 2479 which doesn't help a 912 team average.
On 3 and 4 Arlington Elevator took two games from Park View Tavern. "Swiftly" Neumann was high with 633 and Clague was right behind him with 614. John "D" had trouble with 1 pin spares, breezing by 8 of them. That's bad for a Classic league bowler.
On 5 and 6 led by Jock Meyer with 658, Blatz took all 3 games from Krause Market and knocked them out of a tie for first place. "Divinice" Peter the great painter, was high for Krause's with 574.

REPORT ON FLOOD RELIEF DANCE SPONSORED BY ARL. HTS. BENEFIT CLUB, FEB. 20

We regret it was our misfortune to have so much rain and inclement weather on the night of this worthy occasion, yet we are in a position to say we went right over the top and returns were far greater than had been anticipated. Again it proves nothing can stop Arlington Heights from always going over the top. We wish to extend a hearty thanks to the public for buying tickets so generously and freely. The business men have always responded to our call, and this time we wish to thank the following for their generous contributions.

Anonymous friend—1 ton coal to Edwin Erber, 106 S. Dunton avenue.

Tibbitts-Cameron Co.—1/2 ton coal to Otto Mrs. Jr., 212 W. Fremont street.

Bernard Sucke Gents Furnishings, 108 N. Evergreen street—One sweater to Emil Mayarick, 112 W. Wing street.

Winkelman, the Tire & Battery Man—One tricycle to Theodore Stuettmann, 628 N. Highland avenue.

Arlington Chevrolet Co., State Road—One gallon anti freeze to Lola Davis.

We wish to thank the Mors Bakery for contributing 10 dozen buns.

Through the courtesy of our Governor, the Honorable Henry Horner, we were granted a state permit for that night, free of charge. Thanks to our Governor.

The net proceeds of \$70.45 was turned over to the local Red Cross, swelling the total of that fund to \$1,372.17. This club is ever ready to assist in any worthy cause.

The editor of this paper is always obliging in allotting space for any and all good causes. We thank him for space allotted to us.

Shower For Mildred Sadecky

A beautiful pre-nuptial shower was given in honor of Miss Mildred Sadecky at the home of Miss Betty Tossman, Tuesday evening.

There were 40 guests present and it was a jolly, happy occasion. The decorations were white with little sprinkling cans for place cards and predominating in the decorations. Mr. Biederbeck of the Arlington Heights Bakery Shop, made a large shower decorated cake, also with little sprinklers and labeled "Mildred's Shower." Many beautiful and suitable gifts were received by the bride-to-be.

Chinese Class For Chinamen In "Stowaway"

For her unusual role in her most remarkable picture, Shirley Temple had to learn some four hundred words of real Chinese, lending not only authenticity but extraordinary entertainment to the Twentieth Century-Fox film, "Stowaway," at the Arlington Theatre, Sunday and Monday, March 14 and 15.

Singing and speaking in the official Mandarin dialect of China so well that she wins a prize in a Chinese theatre, Shirley had two hundred and fifty fellow students studying the language with her.

These were the Chinese "extras" in the film, all of whom spoke dialects other than the one the Chinese government is endeavoring to make the official tongue of China.

Cast in the role of the daughter of American missionaries in China, orphaned by a bandit raid, Shirley somehow gets to Shanghai, where she meets Robert Young, a rich young playboy, who loses his heart to her.

The manner in which Shirley finally helps her handsome benefactor win the hand of Alice Faye, who was promised to another, provides outstanding entertainment.

Also featured in the cast are Eugene Pallette, Helen Westley, Arthur Treacher, J. Edward Bromberg, and Astrid Allwyn.

Darryl F. Zanuck, in charge of production, selected William A. Seiter to direct with E. G. De Sylva, Earl Carroll and Harold Wilson as associate producers.

Mack Gordon and Harry Revel wrote five new song hits for Shirley and Alice Faye. Irving Caesar composed a happy topical song for the film.

ARLINGTON INDEPENDENTS WIN TWO

Alumni Eke Out 30-27 Win;
C. A. C. Girls Take Thriller.

By T. KOZMANOFF
Arlington Heights' two independ-
ent basketball teams made a clean
sweep of their twin bill with the

St. Jerome's of the C. Y. O. at the
local high school gym Friday night.
March 5, the Alumni eking out a
30-27 win while O'Hagen's C. A. C.
girls played one of their finest
games of the season to snatch a 21-
19 thriller.

**Twenty-Eight Fouls In Feature
Battle**
A total of twenty-eight personal
fouls and five technicals in the fea-
ture games marred an otherwise
interesting game. Roger Hertel of
the home five turned in his best ex-
hibition of the season, flipping in
five baskets and two free throws
for a twelve point sum. Dalton,
thirty-eight year old star of the
visitors, stole the spotlight with his
tricky ball-handling that had the
local fans wondering where the ball was
going. The old veteran of many a
court game topped Jerome's scorers
with three baskets and four free
throws.

**Bolte and Diederich Score
14 Points**

Entering the game in the second
quarter, Lois Bolte and Bernice D.
derich put the necessary spark in
the C. A. C.'s attack to aid their
teammates win a first-class thriller
from the St. Jerome girls of Chicago
by a 21-19 score. Bolte and D.
derich personally accounted for
fourteen of their team's twenty-one
point total. Geiske and J. Brodnan
also turned in good games. D.
derich not only played a good of-
fensive game, but was instrumental
in breaking up the visitor's pass-
ing attack and handling the re-
bounds off the bankboard from the
opponent's futile shots.

Glenview Next Home Opponents
The Alumni and the C. A. C.'s
will play hosts to Glenview at the

George Wardle Speaks To Arlington Men's Club

On Tuesday, March 2, Mr. Geo.
Wardle spoke to the Men's club of
Arlington Heights on the subject
"Our Responsibility in the Preven-
tion of Automobile Accidents."

We are perfect ladies and gentle-
men when we are walking down
the street, but driving a car, we
immediately become savages. The
37,500 people killed and the 1,300-
000 injured in the United States in
the year 1936, were the result of
poor judgment, unnecessary hur-
ry, and discourteous treatment to
the other person, whether pedes-
trian or driver.

In concluding his talk, Mr.
Wardle then indicated the remedy
for preventing deaths and injuries
on the highways. He said that
proper conduct of the adult as well
as the young person was a prime
necessity. A drivers' license law,
the enforcement of which is entire-
ly divorced from political control
was another need for prevention.

The next dinner meeting of the
Men's club will be Tuesday, April
6. This meeting has been desig-
nated as Father and Son night. At
that meeting Mr. Phil Maxwell of
the Chicago Tribune Editorial
staff will speak.

FRATERNAL ORDER OF EAGLES

To accomplish their purposes
most effectively the Eagles are
compactly organized. The Aeries in
most states are grouped into State
Aeries, with state officers to direct
the work and co-ordinate Aerie ef-
forts. Nationally, the Eagles are
governed by a common council
called the Grand Aerie composed of
the past presidents of all the
Aeries. The Grand Aerie meets
once a year. At that time national
officers are chosen and national po-
licies decided upon.

The membership of Subordinate
Aeries is comprised of men of all
walks of life who are of the cau-
sin race, believe in the existence
of a Supreme Being and at the time
of affiliation were over eighteen
had not passed their fiftieth birth-
day. Club houses throughout the
nation erected and maintained for
the social benefits of all members.

Our aim is not the accumulation
of material wealth for its mere pos-
session. The Fraternal Order of
Eagles is founded on the principle
of helpfulness in time of trouble.
There is a sick benefit, a substan-
tial sum paid to the sick member
for as long as twelve weeks in any
one year. In addition to sick and
funeral benefits most Aeries have
one or more competent physicians
to attend the members and their
dependents free of any direct
charge, the aerie physician may be
consulted freely. The average fun-
eral benefit is \$100.00. No Eagle
sleeps now or ever will sleep in pot-
tery field.

Only rich organizations could
meet such vast obligations. But the
membership in the Fraternal order
of Eagles does not come high. Dues
in this Aerie are \$1.00 a month with
an initiation fee of five dollars.

This is a brief statement of the
records of the order that stands for
something more than good times.
The foundation stones are the prin-
ciples of Liberty, Truth, Justice,
and Equality. They underlie all
the Order's work in the past and
they are the foundation for all its
work in the future.

Our local Aerie rooms are open
to the general public every Tues-
day evening up to 1 p. m. If you

SCOUTING

Scouts Hold Jubilee Meeting

On next Monday evening, March
15, the Scouters of the Northwest
Suburban Council will hold a Jubi-
lee meeting at the headquarters of
the Veterans of Foreign Wars in
Des Plaines. This meeting will be
attended by the leaders of the fi-
nance campaigns in the various
communities and members of the
Executive Board and will be for the
purpose of checking up on the re-
sults of recent finance campaigns.

At this meeting based on the re-
turns of the finance campaigns the
working budget for 1937 will be
formulated and adopted.

In previous years a budget has
been adopted and the effort to pro-
vide the funds has been made
throughout the year. This year with
the campaigns held early in the
year the budget will be based en-
tirely on the amount of money
available and not on what might be
secured.

The following communities have
conducted campaigns at this time:
Barrington, Mt. Prospect, Des
Plaines, Park Ridge, and Niles Cen-
ter. Palatine and Arlington
Heights are planning their cam-
paigns for May and Wheeling,
Niles and Morton Grove will carry
out their plans during the first part
of the year.

From the preliminary reports
which have been received on the
present united financial campaign
efforts, the prospects for 1937 look
very bright. All of the money
raised this year will be used for the
1937 budget.

Niles Center Scouts In Sectional Meet

The First Aid team of Troop 15
sponsored by the Lincoln School P.
T. A. of Niles Center with S. A.
Stenson as Scoutmaster and Robt.
D. Grubb as coach of the team, will
compete on next Friday evening,
March 19, at the Maine township
high school in the sectional meet
which will determine the team to
compete in the semi-finals to be
held at the LaSalle hotel in Chi-
cago on April 3.

First Aid teams representing
the North Shore Area Council
(Highland Park), the Evanston
Council, the Oak Park Council and

the Northwest Suburban Council
will participate in this sectional
contest.

In the semi-finals teams from all
over Illinois, Indiana, Michigan and
Wisconsin will compete for the
Midwest First Aid Trophy.

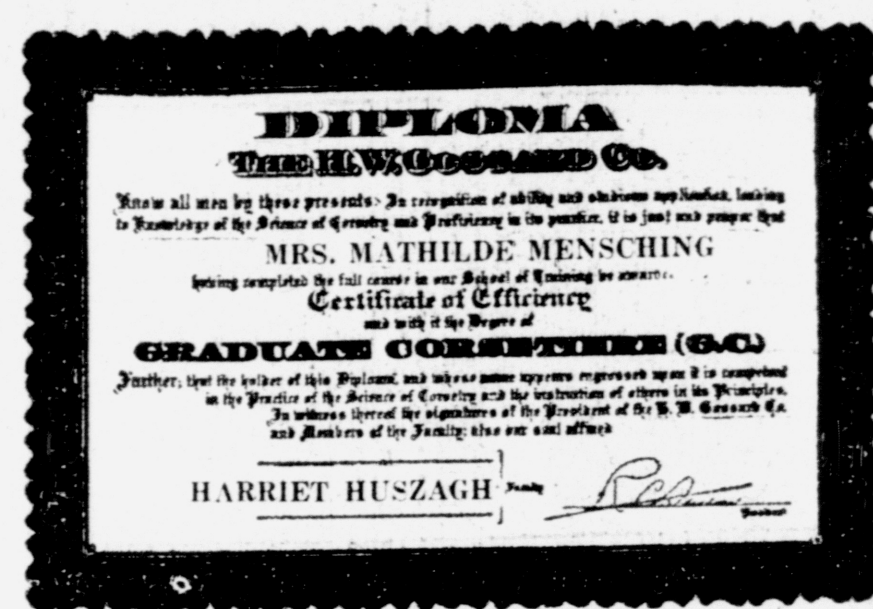

Troop 15 of Niles Center under
the able leadership of Robt. D.
Grubb have represented the North-
west Suburban Council four times.

News from Springfield

By Bernice T. Van der Vries
Representative, General Assembly
7th Senatorial District

Much credit should be given to the speaker of the House, Representative Louie E. Lewis, for his efforts to speed up the work of the General Assembly by convening the sessions at exactly the time specified for the meeting. The House voted this week to start the weekly sessions on Monday night which means more opportunities for the passage of non-controversial bills.

The entire time of the House was taken up this week with the discussion of two measures, the Chicago Park Pledge Levy Bill and the Utility Tax Bill. Both had hearings before the House as a Committee of the Whole.

The discussion on the Park bill centered around the amount desired by the Park board and where cuts could be made in the budget. Mr. Robert Dunham, the president of the Chicago Park District never wavered, in his claim that the only place in the budget where cuts

could be made was in the services given to the people by the parks. The opposition as represented by the Civic Federation and Bureau of Efficiency and Economy argued that a general scaling of expenditures would reduce the amount needed by one million dollars. There was no final decision made as to the outcome of the measures.

The utility tax bill failed to receive the necessary 102 votes. The Republican party is divided in its stand on the bill and many are withholding their votes in an effort to force the administration to submit statements of the anticipated revenue needed to meet the expenses of the biennium.

Relief needs are mounting, old age pension costs are growing as more are admitted to the roles and the schools are just clamoring for more state aid. Added to this picture is the question of tax collections, tax penalties and tax delinquencies. A joint committee of members from both parties in the House is attempting to start in motion the drafting of bills which do with the entire tax question so far as real and personal property place in the budget where cuts

Many school boards in the district were represented at the Annual meeting of the School Board Association held in Springfield this week. The plight of many schools in the state is almost unbelievable. The association vigorously demanded more financial support from the state. Many of the debated features in the State School Board bill introduced by Senator Scuttler are being ironed out and will be taken out of the bill by amendments. Two bills were introduced this week by Representative Foster. House Bill 292 makes reinsurance companies liable to persons entitled to recover damages for death or injury. House Bill 293 regulates the preparation and dispensing of food for consumption on the premises.

County Sells Park Ridge Lots

Public auction of 320 vacant lots in Park Ridge, on which taxes of approximately \$100,000 for the years 1913 to 1931 are owed, was begun Monday in the county building by County Treasurer Horace G. Lindheimer.

The first nine lots sold, purchased by Margaret Dagobert, 1729 Euclid avenue and M. J. Rudnik, 5454 Higgins avenue, yielded \$365.50 to the county. Defaulted taxes on these pieces amounted to \$9,281. The buyers must pay, in addition to the purchase price, the accumulated taxes plus interest for the years 1912 to 1935, inclusive, as well as special assessments. In many instances, according to Geo. Hagrenauer, chief auditor for the treasurer, the assessments amount to as much as or more than the regular taxes.

The lots were in the Ira Brown and Powell subdivisions of Park Ridge. The sale, said to be the first of its kind in the recent history of Cook county, will continue for two or three days. Similar sales will follow it is believed.

Defends Home Town Girls

We have received a letter from a young man who evidently thinks that blondes have been getting more publicity than brunettes and he comes to bat for the brunettes in no uncertain terms. Here is one he describes in his enthusiasm and the description does sound good, doesn't it?

"Large sparkling eyes, a complexion that many envy, her hair styles are the very latest (ask her to remove her hat for you). She dresses conservatively, but smartly. She has a pleasant smile for every one, 5 ft. 1 1/2 in. tall, weight, 116 lbs., and overflowing with personality."

The Herald is glad to publish the description of Arlington Heights "most beautiful maid" and although his apostle includes the name of the young lady, this paper is not a matrimonial sheet and if any of the young swains desire to learn the identity of the maid that is ace high in one man's estimation, they will have to find her.

LOOK Out for Turning Cars

A danger is ever present at intersections is the theme of the message in the March safety poster just distributed by the Chicago Motor Club to 31,000 classrooms of Illinois and Indiana elementary and high schools. Accompanying the posters are special subject sheets for the use of teachers in preparing classroom questionnaires on safety.

Colored with brilliant red and amber black, the poster depicts two young children about to step from a curbing. At their left is an automobile about to make a turn. In large glaring letters under the automobile is the month's safety message:

"Watch For Turning Cars." The importance of the warning is borne out by accident statistics. In 1935 more than 42,000 persons were injured and 4,000 were killed in intersection accidents in metropolitan areas. In rural sections approximately 36,000 were injured and 1,500 killed in the same type of accident.

Health Talks

By Dr. J. H. Fisher

GOITER

Goiter is a term applied to a swelling in the front of the neck caused by an enlargement of the thyroid gland, which lies between the windpipe and the windpipe. In health it is not large enough to show outwardly. It changes in size and does so by the amount of strain the patient brings upon her or himself. Many people do not know that men also have goiters, but we see them mostly on women. There are two kinds of goiter, the simple and the exophthalmic, the exophthalmic is quite a different disease, it is not as noticeable but more harmful. The more noticeable goiter or common form is larger and is less painful to have outside of its appearance some never feel the enlargement. It is harder to remove as it is composed of a network of fibres and if done by a competent doctor is hardly noticeable and a great comfort later on.

The worst form is the exophthalmic goiter, because it is painful and also affects the eyes, sometimes causing fifty per cent of the vision to be lost and it causes the eyeballs to protrude exerting them to find, and find disease, and is much more difficult to remove because it is seated deeper. People with this form should have them removed as soon as possible for it becomes worse as are advances and confines them to bed longer. In most cases the doctor's object is to return the position and the sight improved so much to make the patient feel as though they never had the disease. In this case it is always wise to have the eyes checked for vision as it helps take the strain from the nerves and muscles helping the patient to regain their normal strength again. This condition is seldom found in children and usually occurs about the age of twenty-five. Some children develop it from the ages of eight to twelve years of age. The growth is very slow, it is simply an enlargement of the parts of the thyroid gland and hard from the increase of fibrous tissue or deposits.

Sometimes the goiter becomes large causing the voice to become hoarse and voiceless, but seldom does it interfere with the breathing or swallowing.

The most affected part is the sight and if you should be unfortunate to be one of them, be sure to have your eyes checked at once or if you are now wearing glasses have them checked.

Would Force Liability Insurance

Early developments in the more than forty state legislatures now in session show that drives are under way in many sections of the country for passage of blanket compulsory automobile liability insurance, according to Charles M. Hayes, president of the Chicago Motor club.

Bills for providing for blanket insurance have been introduced in California, Colorado, North Carolina, and Washington, among others; special committees are studying the matter in Maine, New Hampshire, and New York, while a variety of similar schemes are being agitated in other states.

The revival of this business of compulsory liability insurance is almost a foregone conclusion every time a legislature convenes. Mr. Hayes commented, "Each time it has been necessary only to point out its many disadvantages in order to defeat it."

In place of such blanket insurance, the American Automobile Association and its clubs have for many years advocated the principles of safety responsibility which requires evidence of ability to respond in damages only after a driver has been convicted of a serious violation or has failed to pay a damage judgment.

"The safety responsibility bill is a proved, effective safety measure; compulsory insurance does not even pretend to be, as it is a compensation measure only. Safety responsibility places a burden only on the careless and financially irresponsible drivers; compulsory insurance tears down on careful and reckless drivers alike."

"Furthermore, compulsory insurance is an open invitation to fraud, inflated claims and resultant increased premiums."

In fact as highway safety is concerned, obviously the best course to follow is universal adoption of the safety responsibility bill; strengthening a motorist's pockets where the law is below standard; and above all—strict enforcement of its provisions."

Children as Guests

Of a certain reformer, it has been beautifully said: "He regarded little children as little guests in the world, to be welcomed with gentle courtesy and tenderness, to be offered knowledge and love, and charmed with song and flowers, so that they might be glad and proud to have come into a world which gives them happiness and only asks of them goodness."

Bethlehem, House of Bread, Bethlehem, or House of Bread, was known more anciently as Ephrath, or Fruitful, while in modern times it is called Beit-lahm, or House of Flesh.
